---

The Main Street Competition Coalition is a coalition of main street businesses and agriculture producers that are committed to promoting competition and reviving and reforming the Robinson-Patman Act. We advocate for antitrust policies that ensure a level playing field for the benefit of both business and consumers. More information about the coalition's objectives can be found on our website at [www.MainStreetCompetition.com](http://www.MainStreetCompetition.com).

Membership to the Main Street Competition Coalition is open to industry organizations and businesses supportive of the coalition's policy goals and objectives. Individuals, academics, think tanks and antitrust practitioners are also welcome to participate in the coalition's advocacy as third-party validators.

- We will join the Main Street Competition Coalition as a (no cost) General Member. \*
- We/I will participate in the coalition as a third-party validator
- I wish to support the coalition's efforts anonymously. Please contact me for details.
- I have questions. Please call me.

*\*I understand that our organization's name will be placed on the Main Street Competition Coalition's public membership list, and that we will thus be identified with the coalition's public statements.*
